

Trek Parts

Trek Part - TREK Cleaning Machines is a machine maker who is passionate about the cleaning industry. The company's founders, Jim Hartsock, Chris Knowlton and Bob O'Hara, have over 60 years combined experience with effectively marketing, manufacturing, designing, developing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their customers and are devoted to giving top quality and new design concepts in order to meet the diverse needs of their clients.

TREK Cleaning Machines continually provides fresh design ideas as proven in their product development. They like offering products which energize both their partners and their dealers and provide production gains to their clients.

The team at TREK likes tackling new tasks and challenges. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This particular line was motivated by the understanding of operators' skills and requirements together with their comprehension of cleaning applications, along with owners' strong desire to considerably lessen expense through productivity gains.

When considered necessary, the employees within TREK and its various dealer members in both parts and in technical support would be accessible. One of their core values is their high service commitment in their customer service. Keeping their clients' cleaning equipment ready and functioning on a daily basis is top priority. The company's top of the line technology delivers reliable machinery that eventually lessens your cost of cleaning. The price, the service and the product all work as one to make them an industry leader.
